

Welcome to another year with Mather's Garden Community!

We are so excited for a second year of gardening together! Included in this box are supplies you'll need to continue growing with your Grow-It-Together Garden Kit. A few things to know:

Contents of Your G.I.T. Refresh Kit:

Included in this kit you should find more seed pods, stickers, and plant food packets, as well as seeds for thyme, parsley, and chamomile.

Find Resources on Our Website

This kit contains handouts on growing and pruning your new plants. To download the rest of the illustrated instructions and view all our videos, go to www.mather.com/GIT.

Join Us on Zoom

Each month, you can join us on Zoom for a live **Garden Club Session** where we'll discuss a special gardening topic, the process of hydroponic gardening, and any questions that you may have. Garden Club takes place on the second Wednesday of each month from 1:00–2:00 p.m. CT.

No need to pre-register. Follow this link to attend: <https://us06web.zoom.us/j/82266058251>.

Join Us on Facebook (optional)

If you have not already joined our community of gardeners on Facebook, you can go to: www.facebook.com/groups/mathergardencommunity.

This is a great opportunity to share pictures of your garden, ask questions, and connect with others.

We look forward to gardening with you this year! If we haven't addressed your initial questions or if you find your G.I.T. Refresh Kit is missing an item, please email us at kits@mather.com.

Warmly,

Mather's Garden Community Team
